

## Guidance Notes

### **A. Contact Details**

Your address and contact details will not usually be released unless necessary or to deal with your complaint.

However, we will tell the following people that you have made this complaint:

- the councillor(s) you are complaining about
- the monitoring officer of the authority.

We will tell them your name and give them a summary of your complaint. We will give them full details of your complaint where necessary or appropriate to be able to deal with it. If you have serious concerns about your name and a summary, or details of your complaint being released, please complete the relevant section of the form.

### **B. Name of the councillor you believe have breached the Code of Conduct**

If you are complaining about more than one councillor you should clearly explain what each individual person has done that you believe breaches the Code of Conduct.

### **C. Details of your complaint**

It is important that you provide all the information you wish to have taken into account by the assessment sub-committee when it decides whether to take any action on your complaint. For example:

- You should be specific, wherever possible, about exactly what you are alleging the councillor said or did. For instance, instead of writing that the councillor insulted you, you should state what it was they said.
- You should provide the dates of the alleged incidents wherever possible. If you cannot provide exact dates it is important to give a general timeframe.
- You should confirm whether there are any witnesses to the alleged conduct and provide their names and contact details if possible.
- You should provide any relevant background information.

### **D. Anonymous complaints**

In the interests of fairness and natural justice, we believe councillors who are complained about have a right to know who has made the complaint. We also believe they have a right to be provided with a summary of the complaint. We are unlikely to withhold your identity or the details of your complaint unless the Monitoring Officer believes this is in the public interest.

Please note that requests for confidentiality or requests for suppression of complaint details will not automatically be granted. The assessment sub-committee will consider the request alongside the substance of your complaint. We will then contact you with the decision. If your request for confidentiality is not granted, we will usually allow you the option of withdrawing your complaint.

However, it is important to understand that in certain exceptional circumstances where the matter complained about is very serious, we can proceed with an investigation or other action and disclose your name even if you have expressly asked us not to.

### **Additional Help**

Complaints must be submitted in writing. This includes fax and electronic submissions. However, in line with the requirements of the Disability Discrimination Act 2000, we can make reasonable adjustments to assist you if you have a disability that prevents you from making your complaint in writing.

We can also help if English is not your first language.

If you need any support in completing this form, please let us know as soon as possible.
