

Who We Are

A steering group was been formed to help guide the North West Green Arc initiative, as well as a number of supporting partners and participants.

Natural England are project champions, while the following are current members of the steering committee:

- Buckinghamshire County Council
- City of London
- Hertfordshire and Middlesex Wildlife Trust
- Natural England
- Chilterns Conservation Board
- Chilterns Society
- Hertfordshire County Council
- Greater London Authority

Project Partners include:

- Sustans
- Harrow Council
- South West London Green Arc
- South Bucks District Council
- Wycombe District Council
- London Parks Forum
- Dacorum Borough Council
