*David Crook, Headteacher*

Bucks County Council have asked us to let you know about a consultation exercise that has been launched to ask children, young people, parents/carers and those who work with families, what they would like from a new service they are developing called the Buckinghamshire Family Information Service. This is being set up to help families find the information and advice they need. The consultation takes the form of a short questionnaire which is available in hard copy (from libraries and children's centres) or online at [www.buckscc.gov.uk/fis](http://www.buckscc.gov.uk/fis). Everyone who responds will have the opportunity to be entered in to a free prize draw with the chance to win a Nintendo Wii console.

## **Music Stands**

Please can all students remember to bring their own music stands to all the groups every week.

**Don't forget to put your name on your stand!**
