### Note to Clergy

When the number of applications for admission to voluntary-controlled schools exceed the number of places available, we use admission rules to decide who the places are offered to.

#### Rule 4 says

'Children whose parents have expressed a preference for a Church of England school supported by evidence that at least one parent has been a regular worshipper (an average of at least twice per month) at a church that is affiliated to, or represented at 'Churches Together in England' or the 'Evangelical Alliance'. Attendance must have been for at least one year prior to your application.

**You are being asked to complete this form because the above parent is claiming they meet this rule. It is the parent(s) commitment to the church that counts not the child's.**

Please sign this section if you can confirm that the parent(s) named above have attended your church at least twice a month for a minimum of one year. If they have moved and have not worshipped at your church for the whole one year, show dates here:
