Dear Parent / Guardian

Re: Elective Home Education for Children and Young People under Section 7 of the 1996 Education Act.

Section 436A of the Education Act 1996 - 'requires all local authorities to make arrangements to enable them to establish (so far as it is possible to do so) the identities of children residing in their area who are not receiving a suitable education'. It goes on to say that: 'Local Authorities have a duty to establish whether a child who is being educated at home (under section 7 of the Education Act 1997) is not receiving suitable education.....where it is known that they are home educated and where the place that they are being educated is known'.

See "Guidelines for Parents Seeking to Educate their Children at Home" in the list of documents available on this website. Please read the Guidelines and if you elect to home educate your child, complete the registration form, also available on this website and return to the above address.

If you have any queries regarding the above, please do not hesitate to contact this office – contact details below.

Yours sincerely
