

With 23 parking spaces, the Beaconsfield HWRC will be open seven days a week, from 8am – 6pm in the summer and 8am – 5pm in the winter.

As part of this development, the existing Candlemas Lane HWRC will be closing at 12.00 (noon) on Saturday 24 February 2007.

We are currently finalising the Buckinghamshire Joint Waste Strategy to cover the period up to 2021. The main aims of the strategy are to reduce waste at source, recycle more of what is left and find a proven technology to deal with the rest. It is clear that we can no longer rely on landfill to deal with our waste. Recycling plays a key role in reducing the amount of waste that is sent to landfill in the county and therefore help tackle the problem of climate change.

For more information visit www.buckscc.gov.uk, then click on environment, then waste management or call **01296 382307**.

Beaconsfield Household Waste and Recycling Centre

Buckinghamshire County Council has committed to spending over £5 million on enhancing recycling facilities at its existing Household Waste and Recycling Centres (HWRC) and providing two new centres within the county.

One of these is the new **Beaconsfield HWRC** opening on **Monday 26 February 2007** at **A40 London Rd**
Lower Pyebushes
Beaconsfield
Buckinghamshire
HP9 2XB.
