

The United Kingdom Youth Parliament (UKYP) aims to give young people between the ages of 11 and 18 a voice, which will be heard and listened to by local and national government, providers of services for young people and other agencies that have an interest in the views and needs of young people.

Every year local elections are held to elect young people to be Members of the Youth Parliament (MYP/DMYP). The election process has now finished, and we have 6 new and enthusiastic young people voted in as MYP's and their deputies. They will represent the young people of Buckinghamshire at local, regional and national events. Over **12665** young people voted this year, which was a fantastic turnout. Below are the names of the young people they elected to be Members of the Youth Parliament and the areas they represent.

Aylesbury Vale

MYP: Ablá Seckley
Deputy MYP: Samuel Biss

Chiltern & South Bucks

MYP: Leon Man
Deputy MYP: Paul Neville

Wycombe District

MYP: Adam Roberts
Deputy MYP: Henrietta Rogers

The new MYP's/DMYP's will work continuously at a local level, and would like to visit schools in their area. They will meet locally every month to discuss their campaigns, attend the District Youth Cabinet meetings and also regional Youth Parliament meetings. They will continue campaigning on issues that they are passionate about.

If you wish to contact your local MYP/DMYP please contact Amber Smith, Youth Services Participation Youth Worker on 01296 382448 or email adsmith@buckscc.gov.uk

Thank you for your continuing support and special thanks to Burnham Grammar school who produced the manifesto DVD's.
